

Our Winter Cottage at Holiday Time

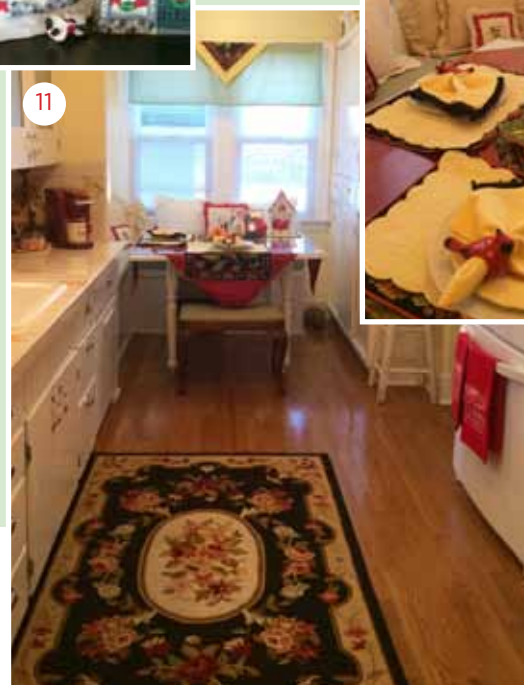

OUR HOME & ENTRYWAY (1, 2 & 3) Red, white and green outdoor lights echo the tree seen through the window. Festive birds on the cafe table welcome family and friends.

THE LIVING ROOM & DINING ROOM SUITE (4, 5 & 6) White couches with red and green pillows blend beautifully with April Cornell's vintage "Birds & Boughs" table linens. The lit village on top the TV cabinet is a celebration of Christmas cheer!

MASTER SUITE & DOUG'S DEN (7, 8, 9 & 10) Christmas touches in the master suite herald in the holidays - while Doug's den is all about golfing Santas, nutcrackers and a golf & ski-themed tree lit by special Bud Lite lights (a gift from Doug's friend).

KITCHEN & "THE NOOK" (11 & 12) We love the breakfast nook in the morning, especially if there is a fresh dusting of snow - as this space overlooks the back yard.

THE GUEST SUITE & PITTPAT GALLERY (13 & 14) The lower level of our cottage divides itself between a bedroom, bath and den for visitors and my studio and art gallery. As this cottage is filled with light, this is the perfect place to design and display my artwork.
