

Our Valentine Winter Cottage

OUR HOME & ENTRYWAY (1, 2 & 3) Glimmer lights in red mason jars welcome guests from the porch table along with the wreath with its "key to my heart theme." Red metal hearts swing from the porch and peek out from the top of the shrubbery.

THE LIVING ROOM & DINING ROOM SUITE (4 & 5) The theme here, of course, is "Hearts & Flowers" - on the coffee table, the mantle alcove and dining room table top.

MASTER SUITE & DOUG'S DEN (6, 7 & 8) Comfy touches like vintage quilts and thick furniture throws make these rooms the perfect place to curl up on a snowy afternoon.

KITCHEN & "THE NOOK" (9 & 10) We love the breakfast nook in the morning, especially if there is a fresh dusting of snow - as the view of the back yard when this happens is pristine.

THE GUEST SUITE & PITTYPAT GALLERY (11 & 12) The lower level of our cottage divides itself between a bedroom, bath and den for visitors and my studio/art gallery space. It's remarkable light and airy, even in winter.
