DECORATING MY MORAN PRAIRIE COTTAGE WITH CHEERY RED HEARTS IN WINTER

1

1-3 • FRONT PORCH & LIVING ROOM

Decorated with whimsical red hearts created from different media, sweet dewey tulips plus glitter-dusted white birds add cheer to darker Winter days.

4-7 • DINING ROOM & KITCHEN • Tulips, gold leaves and glittered branches dress the table fitted with fairy lights. Linens are a brilliant Winter pattern from April Cornell that blends well with red bordered napkins. Gold birds and red shiny hearts complete the look. I've filled the cabinet with Valentine's day china pieces that work together. The kitchen carries through the heart theme, dotted with thoughts to inspire.
